January 9, 2019

University of Ljubljana  
Slovenia

Dear Katja Gostinčar

Greetings from the University of Seoul! Thank you very much for your cooperation and support for the programs between your school and UOS.

Today, I would like to introduce Seoul International Summer School 2019 and invite your students to the program.

Seoul International Summer School (SISS) 2018 hosted 97 international students from all around the world. In 2019, SISS will be held for five weeks from June 25th to July 26th, 2019. Institute of International Cooperation and Education (IICE) at the University of Seoul is pleased to **invite 2 of your students to SISS 2019.**

SISS is an international exchange program inviting students from universities worldwide. The program provides a good opportunity to experience Asia in Korea. We offer courses ranging from Korean Language and Korean Studies to International Studies, Business & Economics, and Urban Studies. The program also includes visits and excursions to Korea's famous attractions. In addition, we organize a special 4-day field trip to Jeju Island so that we can help students broaden their understanding of Korea.

Not only do we waive the tuition according to the exchange agreement with partner universities, we also offer free excursions to several places in Korea and free cultural activities about Korean tradition. The registration fee is also waived for the exchange students. Moreover, we cover on-campus dormitory housing and cover a partial fee of their 4-day field trip for each participant. Roundtrip airfares, meals, and the 4-day field trip fees are at your students' own expense. If the student is willing to participate in the Jeju trip, s/he only needs to pay around \$300.

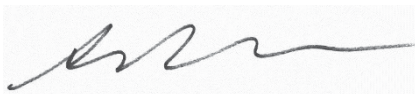

**Institute of International Cooperation and Education(IICE)**

Please nominate your students via online nomination system at <http://global.uos.ac.kr> → For International Students → Studying in UOS → Nomination from March 1 until April 15, 2019, and inform each of the nominated students to complete the on-line application at <http://global.uos.ac.kr> → For International Students → Studying in UOS → Seoul International Summer School → Eligibility & Application form from March 1 until April 30, 2019. Letter of Admission will be issued and sent by email from May 1, 2019 accordingly.

Program leaflets and posters will be also sent to your office shortly. For more information, you can visit our website at <http://global.uos.ac.kr> → For International Students → Studying in UOS → Seoul International Summer School.

Thank you very much for your continuous support for UOS. On behalf of all the staff members of IICE, I wish you all the best.

Sincerely,

**Se Hyun AHN, Ph.D.**  
**Vice President, Institute of International Education and Cooperation**
